## WELCOME

What a month it's been! We've embarked on an exciting learning journey together, filled with fun activities & unforgettable experiences. Our students celebrated Friendship Day by crafting their own friendship bands. We honored the 78th Independence Day of India with patriotic fervor, & then Shri Krishna Janmashtami celebration was a colorful and musical affair. Here's a sneak peek into our wonderful journey!

## INDEPENDENCE DAY

Our students marked Independence Day with a heartfelt tribute to our nation's rich heritage and history. The celebration began with a vibrant display of patriotism as students delivered powerful.

# PATHFINDER

# PATRIOTISM UNITES

The Pathfinder Family came together to celebrate the 78th Independence Day with vibrant enthusiasm and an overwhelming sense of patriotism. The entire campus was adorned in the tricolor, creating an atmosphere charged with national pride and unity.

The celebrations began with a grand assembly where our talented students took center stage, showcasing their love for the country through a series of mesmerizing performances. The day was filled with energetic dances to patriotic songs, each movement echoing the rhythm of freedom. The soulful rendition of 'Sare Jahan Se Acha' filled the air, leaving everyone with a deep sense of pride in our nation's rich heritage. Students also delivered powerful speeches in both Hindi and English, reflecting on the significance of Independence Day and the sacrifices made by our freedom fighters. Their words resonated with the audience, reminding us all of the values that have shaped our nation.

Independence Day is more than just a celebration; it is a moment to reflect on the journey our country has taken, the challenges we have overcome, and the dreams we still strive to achieve.

you can  
ever find.”

## CELEBRATING JOY OF FRIENDSHIP

Friendship is the invisible thread that connects us, weaving joy, laughter, and love into the fabric of our lives. On that day, our campus was alive with the spirit of camaraderie as our wonderful students came together to celebrate the essence of true friendship.

All the students eagerly prepared to honor their friends in the most special way. With creativity and love, they crafted beautiful friendship bands, each one unique and filled with meaning. These tokens of affection were tied on the wrists of their best friends, a gesture that spoke volumes about the bonds they share.

As bands were exchanged, the atmosphere was electric with joy. Smiles, hugs, and laughter filled every corner, creating a symphony of happiness that resonated through the classes. It was a day that touched our hearts, leaving us in awe of the incredible friendships that flourish among our students.

# BRINGING DEVOTION TO LIFE

Our students brought the essence of Shri Krishna Janmashtami alive with grace and devotion. From the mesmerizing Raas Leela dance to the heartfelt narration of Lord Krishna's divine tales, each performance was a tribute to love, faith, and tradition. The little ones stole our hearts, dressed as Goddess Radha and Lord Krishna, radiating joy and innocence. It was a truly blessed day, filled with devotion and cultural heritage.

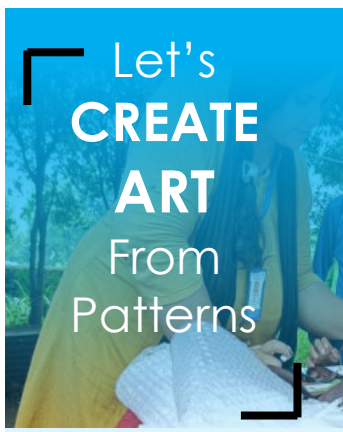

Such devotional activities are essential in today's fast-paced world. They serve as a reminder of our rich cultural heritage, instilling values of love, compassion, and faith in our young minds. By participating in these celebrations, students not only learn about our traditions but also experience the joy of collective worship and the importance of staying connected to our roots. These activities nurture a sense of community and help foster a spiritual connection that goes beyond the classroom, creating lasting memories and a deeper understanding of our cultural legacy.

# FUN WITH COLOURS

Our young students recently embarked on a creative journey, trying their hands at canvas painting. They experienced the joy of free-form art, where imagination knows no bounds. With enthusiasm, they explored various brush strokes, learned about different types of brushes, and discovered the magic of mixing colors to create new shades. The little ones also experimented with stencils to add unique patterns to their work and even used their fingers to make vibrant finger paintings. This hands-on experience not only nurtured their artistic talents but also introduced them to the endless possibilities of creative expression.

# MAKING ART CREATIVE

Our students recently explored the world of creative art through an exciting and hands-on activity. They learned to craft unique patterns using flower prints, created charming dolls, and even made sheep using bubble wrap. This innovative approach to art allowed the students to experiment with different materials and techniques, sparking their imagination and creativity.

The joy of making art in such unconventional ways not only enhanced their artistic skills but also encouraged them to think outside the box.
